CHOICE Ranks in Top Five on Two Austin Business Journal Lists

AUSTIN, TX—Two companies in the CHOICE Asset Management family were recognized in “The List” section of the March 13-19, 2009 issue of the Austin Business Journal. Choice Investments, Inc. ranks fourth under Top Wealth Management Firms, while Choice Advisory Group, Inc. comes in at number three on the list of Financial Planning Firms.

Choice Investments, Inc., founded in Austin, TX in 1984, is the top ranked locally owned and operated firm on The Wealth Management Firms list. The top wealth management firms were ranked by amount of locally managed assets as of March 2009.

The top financial planning firms were ranked by the number of certified financial planners employed. Choice Advisory Group, Inc, is the youngest financial planning firm on the list, but still managed to rank in the top three with six Certified Financial Planners on staff.

CHOICE Asset Management and its family companies has been Austin’s trusted choice for independent financial advice for 25 years. For more information about CHOICE’s various forms of asset management and planning please visit www.CHOICEami.com or call 512-302-6060.
