Financial Advisor Wins Volunteer of the Year Award

Juanita Stephens was awarded Volunteer of the Year at the Capital City African American Chamber of Commerce (CCAACC) annual Business Awards Luncheon on Wednesday, June 23 2010. About 125 people were in attendance at the luncheon, which was held at the Norris Conference Center in North Central Austin, Texas. Stephens has been involved with the CCAACC since 1995, and recently took the position of Chair Elect of the Board. The non-profit CCAACC has been promoting development of African American businesses in Austin, Texas since the early 1980's.

Stephens left a job as an insurance agent earlier this year to join the Choice Asset Management, Inc.'s family of companies, in order to offer her clients a complete array of financial services. Stephens is a registered Investment Advisor with Choice Advisory Group, Inc., a fully licensed securities broker with Choice Investments, Inc., and continues to work as an insurance agent with Choice Risk Management, LLC.
